

Maze Nails
is helping...
**Save our
Planet!**

**Let's protect & preserve
our planet together.**

Maze Nails has a strong commitment to protecting the environment and saving our world.

- Our nails are made from recycled steel.
- Our manufacturing by-products are reclaimed or reused.
- Our nails are packaged in recycled-fiber cardboard boxes.
- Our nails are proudly Made in the USA – within strict EPA and OSHA guidelines.

Maze **STORMGUARD**® Double Hot-Dipped Galvanized Nails provide super protection against rust. Use Maze Nails for siding, decking, roofing and many interior projects. Look for the nails in the bright yellow cartons.

Build Smart. Build with Maze.
