

did you know we're both
155 years
old!

Fact: Maze has been helping to build America since 1848.

Fact: Turtles are among the oldest living creatures on the earth today. Many turtles can live from 120 – 200 years!

Through longevity, we've both gained the experience and wisdom necessary to survive and thrive in our challenging world.

INSIST ON MAZE NAILS

Over a Century of knowledge and experience in every nail!
